7           UNITED STATES DISTRICT COURT  
8           WESTERN DISTRICT OF WASHINGTON  
9           AT SEATTLE

10           UNITED STATES OF AMERICA,

CASE NO. C17-1284JLR

11                 Plaintiff,

ORDER DENYING  
WITHDRAWAL OF COUNSEL

12                 v.

13           JOHN YIN,

14                 Defendant,

15           T. ROWE PRICE,

16                 Garnishee.

17           Before the court is Kirk Davis's motion to withdraw as counsel for Defendant  
18 John Yin. (Mot. (Dkt. # 18).) Because the motion does not comply with the  
19 requirements for attorney withdrawal set forth in Local Civil Rule 83.2(b), the court  
20 DENIES the motion to withdraw without prejudice.

21           If withdrawal would leave a party unrepresented, the motion for withdrawal "must  
22 include the party's address and telephone number." Local Rules W.D. Wash. LCR

1 83.2(b)(1). The instant motion fails to comply with this requirement, as Mr. Davis's  
2 withdrawal would leave Mr. Yin unrepresented, but the motion does not contain Mr.  
3 Yin's telephone number. (*See generally* Mot.) The court therefore DENIES the motion  
4 to withdraw (Dkt. # 18) without prejudice to refiling the motion in the manner prescribed  
5 in Local Civil Rule 83.2(b).

6 Dated this 3<sup>rd</sup> day of October, 2017.
